2026-11-11

The owner of Pasternack Enterprises, Fairview Microwave, L-com Global Connectivity, Milestek, Aiconics, Transtector, Polyphaser, ShowMe Cables, Integrated Network Cable, Integra Optics, and NavePoint.

The United States Toxic Substances Control Act (TSCA) is a federal chemicals management regulation. Under TSCA Section 6(h) Restrictions on Persistent, Bioaccumulative and Toxic (PBT) Substances, final rules were published in January 2021 restricting five chemicals, including treated articles containing these chemicals, from distribution in U.S. commerce:

- PIP 3:1 (CAS 68937-41-7)
- DecaBDE (CAS 1163-19-5)
- 2,4,6 TTBP (CAS 732-26-3)
- HCBD (CAS 87-68-3)
- PCTP (CAS 133-49-3)

In accordance with the requirements defined in the regulation, this communication applies to the below-referenced Product(s) included with this declaration. Infinite Electronics believes that the information it provides above is accurate. The provided information is based upon data obtained from ongoing due diligence concerning goods and materials provided by third party suppliers. Infinite Electronics provides such information "AS IS", without any express or implied warranty of any kind. Infinite Electronics reserves the right to update and modify this communication, as it believes necessary or appropriate.

Part Number: LC-MCCPWR-AC

Part Name: AC PWR SPLY FOR L-COM Chassis

Compliance Status: No Substance(s) Present Above Threshold

Please do not hesitate to ask for further information. If you have any questions about the content on this declaration, you can email us at infiniteelectronicsrequests@assentcompliance.com. If you need a new TSCA declaration for another part or product, please create your request accordingly through this link https://request.assentcompliance.com/infiniteelectronicsinc/
